

Thanksgiving Meal Collection

This Thanksgiving, as in years past, New School families will have the opportunity to donate a Thanksgiving meal to families who receive primary medical and/or dental care at Southeast Lancaster Health Services, Inc. (SELHS). SELHS is a community health center that provides care to more than 22,000 members of our community, regardless of economic status. Over 10% of SouthEast’s patients are uninsured, living at or below the poverty line. Another 66% of SouthEast’s patients are considered underinsured and are faced with significant economic hardship on a daily basis. Check out the SELHS webpage for more info: www.selhs.org.

A **SignUpGenius** will be emailed to you no later than November 6th which will allow you to choose to donate a meal for a family of two, four or six.
